

City of Omaha ARPA Grant Program Nonprofit Reporting DRAFT 02.28.2022

- Funding Area
 - Crisis Intervention
 - Violence Prevention
 - Community-Based Services (mental health)
 - Workforce Development
- Organization Name
- Amount Awarded
- Project Overview

Financial Reporting

- Amount Spent To-Date
- Please provide a general overview of how the grant dollars were spent.
 - Please use the attached spreadsheet to list all of the expenses included in this grant.
 - The total amount listed in the spreadsheet must match the total amount spent to-date
 - Then combine and attach all documentation (i.e. receipts, invoices, timesheets, other) for all expenses listed in their submitted budget. *Note your receipts and total amount spent need to match. Please be sure to double check those match before submitting.*
- Have there been any changes to the program since you applied? *Note: you will need to contact OCF if you need to change how you will spend the grant funds.*

Outcome Reporting

- Total number of people served by the grant funding (*insert a # only*)
 - *Note: this should be a count of the number of unique people you served, not the number of services you performed. For example, a person who attended multiple job readiness programs should only be counted once.*
- Who was served? (narrative)
 - Provide # served in the grant period by: (# only)
 - Age
 - Under 18
 - 18+

- Required Outcome Reporting (*this will show up based on the funding area selected from above*)
 - Crisis Intervention
 - # of individuals served who were stabilized and able to transition to a safer environment/situation
 - Violence Prevention- *Organizations will choose 1 of the following outcomes to report on, depending on their type of program:*
 - Out of School Time & Mentoring- # of youth who had an increase in positive relationships with adults
 - Gang Prevention & Intervention- # of youth who had an increase in beliefs that violence is unacceptable
 - Employment- # of participants who maintained employment during the program
 - Absenteeism & Truancy Prevention- # of participants who were able to remain in school
 - Community-Based Services (Mental health)
 - # of individuals connected to and actively engaged in community-based mental/behavioral health services.
 - Workforce Development

- # of workers enrolled in sectoral job training programs
 - # of workers completing sectoral job training programs
 - # of people participating in summer youth employment programs
 - # of individuals served who were able secure new employment
- Additional Outcomes: Overall, what did you accomplish? Please provide additional information on the impact of your program.
 - Were there any unexpected successes or challenges? How did you respond?
 - Allow for stories/images/documents to upload to highlight impact
